#6
Chen
10/12/01Commissioner of Patents
Washington D.C. 20231RESPONSE TO RESTRICTION REQUIREMENT

Sir:

Responsive to the Office Action mailed 28 August 2001, please reconsider the instant application in view of the following remarks.

Remarks

Currently Claims 1-10, 13-14 and 17-35 are pending.

All Claims are subject to the Examiner's restriction requirement. The Office Action indicates that Applicants are entitled to examination of Examiner's group I together with one method of use claim to be selected from Examiner's groups III, IV, V, VI, VII, and VIII and one process claim to be selected from Examiner's groups II, IX, X and XI. Applicants respectfully traverse the restriction requirement.

The Examiner's restriction requirement does not account for claims 18, 19 and 20. A proper restriction requirement must account for all pending claims.

Applicants respectfully submit that 37 CFR 1.499(b) states that in national stage applications containing different categories of claims, unity of invention will exist if the claims are drawn to certain specified combinations, including a product, a process
